## Advocacy Day 2025

We had a wonderful time joining other chapter members this year! The 13th Annual FPA California Advocacy Day was on Tuesday March 11th, 2025, at the California State Capitol in Sacramento. This annual event brings together Financial Planning Association (FPA) members from across the state to engage with legislators and regulators, advocating for our profession and its future. This year, two Silicon Valley chapter members attend; Curt Weil and Kate Davalos. Whether you are a first-time attendee or a returning participant, your voice is crucial in these conversations. It's easy to get involved and just so rewarding! If you've never attended an Advocacy Day in the past or feel unqualified to speak with legislators, we highly recommend reaching out to past attendees to gain familiarity and confidence; your voice matters!
