## Meet: NexGen Director, Claudia Deras

Claudia Deras, CFP®, is the NexGen Director for the FPA of the Silicon Valley Area. She plans to work closely with the FPA Silicon Valley Chapter to grow the NexGen group and build a community where financial professionals in the early stages of their careers can receive the support they need to grow and succeed. She is also a Financial Advisor with Corinthian Wealth Management, where her passion for assisting families and future generations with their financial well-being has become a reality.

When she first joined Corinthian, she started in an operations role, which paved the way for her to develop a passion for investments and financial planning, ultimately leading her to earn her CFP® mark.

As a NexGener herself, she understands that navigating the financial industry can be challenging. Fortunately, she has had great mentors who provided support and guidance to help her determine the right path. Today, there is a plethora of resources available, and figuring out the next step can feel overwhelming.

NexGen's focus is to create a safe environment where individuals can share, learn, and empower each other throughout their journeys. Claudia believes that surrounding yourself with people who make you feel empowered and are willing to share their expertise is crucial to success.
